

NAG 2 - DOCUMENTATION AND SELF REVIEW

Policies

1. Charter, Strategic and Annual Plans

- 1.1. Taumarunui High School will prepare and maintain a School Charter as required by legislation. The charter will be updated annually in accordance with National Administration Guidelines.
- 1.2. The Taumarunui High School Charter will address the requirements of the National Education Priorities contained within the National Education Guidelines (NEGs) and the National Education Guidelines (NAGs)
- 1.3. The Taumarunui High School Charter will include: the school's vision, mission statement, core values, strategic goals, aims, objectives, targets and a strategic plan and annual plan.

2. Self-Review and Quality Assurance

- 2.1. Taumarunui High School will maintain an on-going systematic self-review process of policies, procedures and achievement data to enable continual improvement in teacher pedagogical practice and outcomes for our students.
- 2.2. Taumarunui High School will implement quality assurance systems to ensure high standards of teaching practice are maintained, which focus on improving student achievement.

3. Planning and Reporting

- 3.1. Taumarunui High School will implement planned systematic procedures for school-wide planning and reporting at all levels within the school (school, department and teaching staff) focussed on improving pedagogical practice and raising student achievement.

4. Relationships with Parents/Caregivers

- 4.1. Taumarunui High School recognises the importance of parent/caregivers and whanau involvement in their child's education. Parents/caregivers will be actively encouraged to form strong supportive relationships with their child's teachers focussed on improving their child's learning and achievement.

5. Relationships with Contributing Schools

- 5.1. Taumarunui High School will continue to develop strong positive relationships with contributing schools focused on improving student outcomes.

6. Relationships with the Māori Community

- 6.1. Taumarunui High School will continue to develop strong positive relationships with the school's Māori community focused on improving the achievement of our Māori students.

7. Public Relations and Publicity

- 7.1. Taumarunui High School will report to the community on student and staff achievement.
- 7.2. Taumarunui High School welcomes constructive feedback from the Community.
